

ENVIRONMENTAL QUALITY AND ENERGY COMMISSION

Fridley Municipal Center, 6431 University Ave Ne

AGENDA

January 31, 2017, 7:00 p.m.

Location: City Hall, Conference Room A (Main Level, City Hall)

Call to Order

Approve Environmental Quality and Energy Commission Minutes

Review December 13th, 2016 minutes.

New Business

- 1) Introduction of New Environmental Quality and Energy Commissioners
- 2) Speaker: Bart Biernat. Mr. Biernat is the Environmental Health Specialist at Anoka County Environmental Services. Mr. Biernat will update the Environmental Quality and Energy Commission on work being done by the Anoka County Water Task Force, the County health board's CHIP-5 initiative and how Fridley's local water planning efforts tie in with other water management tools, in the presentation. ANOKA COUNTY WATER RESOURCE TASK FORCE UPDATES:
 - Water is a Most Important Issue
 - Community Health Improvement Plan – Goal V (Water)
 - Anoka County Water Management Brochure (Oct. 14, 2016)
 - Annual Reports: Water Task Force Annual Report 2015-16

Other topics: introduce WaterSense partner information, water and businesses in Fridley and accessing water-related resources through the KnowTheFlow website (<http://www.knowtheflow.us/tools-for-businesses/>).

- 3) Home Depot and corporate volunteerism
- 4) Winter trail maintenance information from Public Works
