

FRIDLEY CITY CODE
CHAPTER 906. ADOPTION OF CODE
(Ref, 538. 795)

906.01. ADOPTION OF CODE

The substantive general ordinances of the City of Fridley, Minnesota are hereby codified; the codification is in book form, entitled “Municipal Code of Fridley, Minnesota”, and consists of chapters and sections, separately numbered in a decimal system with certain chapter and section numbers reserved for future use and expansion of the Code, as well as an appendix and index thereof. Any matters as may be contained in the appendix or index are included for purposes of information and reference only and are of no substantive effect except where and unless the Code itself specifically incorporates the same by reference.

906.02. SHORT TITLE

For brevity hereafter the Municipal Code of Fridley, Minnesota is sometimes referred to as “this Code” or “City Code”; and any use of the term “this Code” or “City Code” means the Municipal Code of Fridley, Minnesota unless the context clearly requires another meaning.

906.03. REPEAL OF CERTAIN ORDINANCES

This code in the original enactment includes all substantive ordinances of a general nature up to and including Ordinance No. 795, passed on December 5, 1983. All substantive ordinances of a general nature up to and including Ordinance No. 795 are repealed and replaced by the enactment of this Code.

906.04. SUBSEQUENT ORDINANCES

Any ordinance passed after the effective date of this Code shall be passed as a recodified Chapter to this Code (unless it is of limited or special application or is otherwise deemed not to be a part of this Code). Such recodified Chapter, amendment, addition or deletion shall be made a part of this Code as hereinafter provided and directed by the City Council.

906.05. CONSECUTIVE NUMBERING TO CONTINUE.

The present consecutive chronological numbering of all ordinances as are passed shall continue without regard to their subsequent inclusion within this Code, but each ordinance which is an amendment or addition to the Code shall specify the amendment or addition.

906.06. ANNUAL REVISIONS

This Code is printed and loosely formed and is kept up-to-date by the regular insertion of recodified pages containing all amendments, repeals or addition to the Code. For convenience, the volume includes, in addition to the Municipal Code of Fridley, Minnesota, a table of contents, appendixes and a complete subject matter index.

The Council, with the advice of the City Attorney, shall make arrangements periodically for the editorial work and printing necessary to prepare revised and additional pages as necessary to keep the volume up-to-date as nearly as reasonably possible at all times.

906.07. PRESERVATION OF EXISTING RIGHTS

The repeal of any ordinance or portion thereof by addition to this code or any subsequent amendment, repeal or addition thereto does not affect or impair any act done, right vested or accrued, or any proceeding, suit or prosecution had or commenced in any cause before such repeal takes effect. Every act done, right vested or accrued, or proceeding, suit or prosecution had or commenced, remains in full force and effect to all intents and purposes as if such repeal had not taken place. No offense committed, and no liability, penalty or forfeiture, either civil or criminal, incurred prior to repeal of any ordinance or any part thereof, by this Code or subsequent amendment, repeal or addition thereto, is discharged or affected; and the prosecution and suit of any such offense, liability, penalty or forfeiture may be instituted and proceeded within all respects as if such prior ordinance or part thereof had not been repealed.

906.08. PUBLICATION AND EFFECTIVE DATE

A copy of this Code has been on file and open for public inspection in the office of the City Clerk for a period of at least three weeks prior to its additions, commencing on the first day of December 12, 1983.

906.09. CODE PERMANENTLY ON FILE

A copy of the code shall be permanently on file and open for public inspection in the office of the City Clerk in the City of Fridley. Notice shall be given in the official newspaper for at least two (2) successive weeks that copies are available in the City Clerk's office for inspection or purchase.

906.10. PRIMA FACIE EVIDENCE

The Municipal Code of Fridley, Minnesota, shall be prima facie evidence of the law of the City.
