

# 2021 Street Rehabilitation Project

Construction Update

July 23, 2021

## Watermain Replacement:

Temporary water has been staged for the properties affected by the watermain replacement on Rice Creek Terrace, Monroe Street, and Brookview Drive. The contractor will begin watermain replacement on *Monroe Street on Monday, July 26<sup>th</sup>* and intends to start replacement for the Rice Creek Terrace section between 68<sup>th</sup> Avenue and Madison Street at the end of next week. While the watermain work is taking place there will be occurrences when the water will be shut off for a duration of 4 to 6 hours. In general, residents will receive a notice in the form of a door hanger a day before the water is shut-off. Note the Monroe Street shut-off is scheduled for 9:00 am, Monday.

## Concrete Curb & Gutter Removal:

The contractor has started removal of the concrete curb & gutter in the project area and will continue to remove concrete curb & gutter during the week of July 26<sup>th</sup>. The removal of the concrete curb & gutter is mainly for the replacement of the watermain. Spot curb removal will take place in the project area for replacement of the curb that is displaced, or causes drainage issues.

## Stay Connected:

As a reminder, there will be no hard-copy updates delivered for this project. The City will be posting all project updates and notifications on the 2021 Street Project page at the following location:

<https://www.fridleymn.gov/1561/2021-02-Street-Rehabilitation-Project>

## Resident Access

Residents will have access to their driveways during construction except when major construction events are occurring on their street. The City and Contractor will collaborate in minimizing the inconvenience to residents during construction. Please keep in mind that this type of construction may generate noise, dust and mud. Generally, it can be a disruption to the neighborhood, but we are working together toward a common goal.

## Worksite Safety

Although it is tempting and interesting to watch, it is very important that residents, including children, remain out of the immediate work zone. Please remember to be safe and drive cautiously wherever you see construction workers, equipment and warning signs.

***If you have an emergency, the City of Fridley's after hours contact is (763) 427-1212.*** This is an Anoka County Dispatch and they will direct your call.

**[www.fridleymn.gov](http://www.fridleymn.gov)**

*The contractor's hours will be from 7:00 a.m. to 7:00 p.m., Monday – Friday. There is potential for occasional work on Saturdays upon City approval. Additionally, the project covers a large area (2 miles). There may be times when you will not see continuous construction activity on your street. The contractor is likely in another area of the project.*

## **Contact Information:**

*Thank you in advance for your cooperation and patience during the project. The City of Fridley's onsite engineer, **Brandon Brodhag**, can be reached at **(763) 238-8086** if you have any questions, or concerns.*
